

Our Philosophy at Maycroft Dental Care Centre

Our aim is good dental health for all and a reduction in the need for treatment. We provide this by an emphasis on prevention and the delivery of a high standard of care.

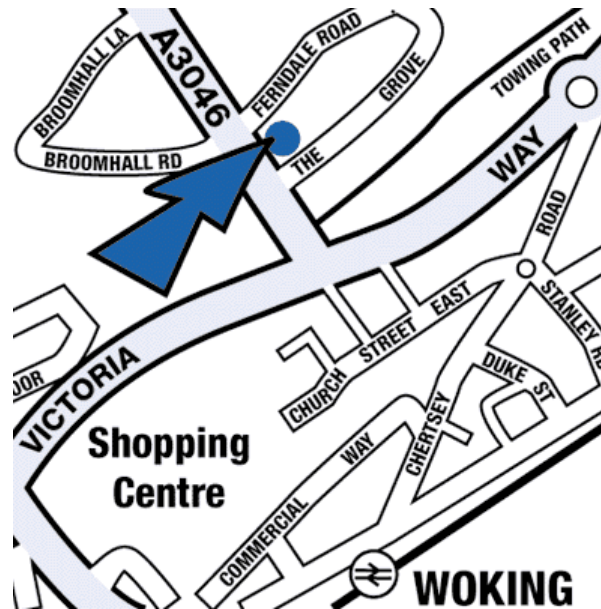

We feel strongly that people attending regularly can be confident that they stand the best chance of having healthy mouths.

Children are particularly welcome as we believe that attending from an early age encourages them in good habits that will last them all their lives.

Opening Hours

Monday to Friday
8.00am until 5.00pm.

Map of Woking Town Centre in the vicinity of the Practice.

How to find us

Maycroft Dental Care Centre is on the A3046, Chobham Road, between The Grove and Ferndale Road. Parking is available in the local side roads using parking vouchers which are on sale in reception. Car Parks are close by in Brewery Road and the town centre. We have limited car parking at the rear of the building.

We are a short walk away from the Woking mainline train station.

We hold 'The BDA Silver Good Practice Scheme' award (a benchmark of care, quality and professional commitment as judged by the British Dental Association) following our previous success in gaining 'Investors in People'. We have also now become the official dentists for the Woking football team.

WELCOME

If you are a new patient we would like to extend a warm welcome to you from the practice. We are confident that you will be pleased with the care you receive. We all take great pride in the quality of our dentistry and in making your visits here a pleasant experience.

Richard & Jennifer holding their recently gained prestigious silver (there is no gold!) member status award of the BDA Good Practice Scheme

We are all readily available to discuss any aspects of your general care or specific concerns about treatment. As a husband & wife team Richard and Jennifer are committed to the area, the practice and to you. Please take the trouble to look at our website.
